Media recipe

GM17

Détails

For 1 liter of GM17:
37 g of M17.
5 g of glucose.
Complete to 1 liter with water.

For GM17-agar:
Add 15 g of agar per liter.

For GM17-top agar:
Add 7.5 g of agar per liter.

Autoclave.

For phage titration or amplification, add 10mM of sterile $CaCl_2$ after autoclave.
